Citizens Present: Robert Knox, Cindy Kranzle, Mary Deli Knox, Jackie Knox, Cheryl Rigotti

Patricia Marion called the meeting to order at 6:00 pm.

The Public Hearing opened at 6:01 p.m., for public input concerning the Following Request:

1. An application filed by Robert Knox requesting the zoning of the subdivision, located at 600 West Fulton Street, be changed from a Commercial District to MH Manufactured Home/Recreational Vehicle District; Legal Description: TR 37 Sinton Farm 5.57 Acres.

Robert Knox was present and advised that the people on Fulton Street have requested houses and he is putting houses there and that is the reason he is here is to request the re-zoning of the subdivision, located at 600 West Fulton Street, changing it from a Commercial District to MH Manufactured Home/Recreational Vehicle District. Robert Knox presented his request to have eight (8) 2 bed and 2 bath homes for Phase 1 of his project and later adding four (4) 3 bed and 2 bath homes for Phase 2 of the project. These would be manufactured homes which would be set on piers, 3-3 1/2 feet, would have landscaping, open streets, privacy fence, 2 streets all concrete construction with street lights; the run off from the property will be diverted back to the creek; there would be maintenance to the property; Lease terms would be 1 year lease/ and there would be credit checks and background checks on residents; current tax roll will be doubled with the project. Discussion ensued amongst the citizens and Planning and Zoning Commission regarding what types of homes would be allowed; if it would be manufactured homes or would RV's be moved in at a later date; the traffic on the roads and if it would affect the infrastructure of the roads; whether Robert Knox could assure that no RV's would be moved in; one citizen stated she did not want a trailer park near where she lived; if the property is sold if RV's can be moved in; clarifying what a manufactured home is versus mobile home; what can be done to generate money to help the City of Sinton. Commission Member Kelly Rigotti advised that she had no problem with the manufactured home part of the zoning but she did have a problem with the Recreational Vehicle part of the zoning being requested. Robert Knox then asked Kelly Rigotti, then what am I supposed to do with the property? Commission Member Kelly Rigotti stated, "I don't know. This is why I told you not to buy it, Steven." There was some discussion if the RV (recreational vehicle) part could be dropped from the zoning portion of that request, but since it is part of the Official Zoning Code, it would not be able to be changed. Robert Knox answered questions from the audience and at one point said that he's trying to work with the neighbors in that area to give them the homes they requested be there.

The Public Hearing closed at 6:28 p.m.

Action Items for Consideration:

1. Action on appointing a chairperson for the Planning and Zoning Commission.
The motion to appoint Greg Hauger as Chairperson was made by Kelly Rigotti. The second was made by Patricia Marion. The motion carried 3-1. Greg Hauger did not vote.

2. Action on the minutes from the Planning and Zoning Commission Meeting held on April 18, 2016, showing the correction in Item #1, changing the wording to “Approval of minutes from Planning and Zoning Commission Meeting on November 17, 2014.”

The motion was made by Kelly Rigotti to approve the minutes from the Planning and Zoning Commission Meeting held on April 18, 2016, showing the corrections. The second was made by Patricia Marion. The motion carried 4-0.

3. Action of the minutes from the Planning and Zoning Commission Meeting held on August 14, 2017.

The motion was made by Kelly Rigotti to approve the minutes from the Planning and Zoning Commission Meeting held on August 14, 2017. The second was made by Lesly Mora-Sence. The motion carried 4-0.

4. Action on an application filed by Robert Knox requesting the zoning of the subdivision, located at 600 West Fulton Street, be changed from a Commercial District to MH Manufactured Home/Recreational Vehicle District; Legal Description: TR 37 Sinton Farm 5.57 Acres.

Chairperson Greg Hauger asked if there was any more discussion regarding this application. Commission Member Patricia Marion advised that she would approve it, she likes what it is and what Robert Knox is doing. Commission Member Lesly Mora-Sence advised that she agrees that we need the change and that she trusts that it will just be manufactured homes; we need the growth because there are going to be over 1000 people looking for homes this coming year and we have nothing to offer them. Commission Chairperson Greg Hauger advised that his only issue was with the part of the zoning code that paired the Manufactured Home with the RV District. He stated that in the future there is nothing that can be done to stop RV’s from coming in since it’s been zoned that way. He stated that if the City Council already denied the application for the RV Park would that keep it from happening. City Secretary Cathy Duhart stated that the City Council did not rule after the Board of Adjustment meeting because the City Council does not have to approve the Board of Adjustment rulings. Commission Member Kelly Rigotti then replied, “Councilwoman Rigotti, did the City Council vote on this?” Councilmember Cheryl Rigotti replied that they did. Commission Member Kelly Rigotti advised that the City Council voted on it. There was no further discussion regarding that matter. Commission Member Kelly Rigotti stated that she would not approve the application due to the fact that it had the RV District attached to the Zoning Code. Discussion continued between the Commission and the audience and Robert Knox regarding what the community would like to see there and since they did not want RV’s, he was giving them homes in the area, as they requested. Robert Knox advised that he is willing to put his faith in the project and his money behind it to try to get somewhere, and he is pushed back at each inroad. The area is zoned Commercial and he could lease it to a Commercial Company.

Chairperson Greg Hauger asked for a motion to vote on this agenda item. Before the Planning and Zoning Commission could vote, Robert Knox withdrew his application and he stated that he could see where this was going.

Commission Member Kelly Rigotti asked if the zoning could be changed to Residential and she advised Robert Knox that she was just trying to help him.

The discussion grew heated at some point and at one point Mr. Jackie Knox told Robert Knox to just forget it since she would never pass anything he brought to the board. Commission Member Kelly Rigotti then told Mr. Jackie Knox, “Thanks a lot Jackie. That’s real nice. I sat there and defended you against people calling you criminal.”
The meeting had not been adjourned so Chairperson Greg Hauger called for a motion to adjourn. The motion to adjourn was made by Kelly Rigotti. The second was made by Lesly Mora-Sence.

The meeting adjourned.
