San Patricio County's COVID-19 Situation Report

Clara Rieder, Public Health Preparedness Manager, reported **No New Cases**. San Patricio County's **COVID-19 case count remains at 2** and the immediate risk of transmission in the County remains minimal. The County is aware that a second G-P ISD employee tested positive; however, that individual does not reside in San Patricio County.

Next, county health officials confirm that **43 COVID-19 tests** have been conducted. The reporting requirement for testing is different for public versus private conducted tests. Tests conducted privately are not reported until the results are confirmed and thus resulting in delayed test reporting.

Call 361-201-0551 to reach the Center for COVID-19 between the hours of 8 a.m. and 5 p.m. M-F.

For information, please contact Clara Rieder, Public Health Preparedness Manager, at clara.rieder@co.san-patricio.tx.us; or Dr. James A. Mobley, MD, MPH, FAAFP.
