

On April 6, 2020 City Council voted to extend the Mayor's Order in response to the Novel Coronavirus. The new order extends thru May 5, 2020. As in the previous order all persons currently residing within the City of Sinton, Texas are hereafter directed to stay at home. You may only leave your residence to engage in allowable activities which shall include Exempted Activities or Exempted Businesses but must implement all social distancing requirements and adopt other mitigating measures. All public or private gatherings of any number of people occurring outside a household are hereafter prohibited, except as otherwise provided herein. If your business is not Exempt under this order, you are to remain closed.

Also, the City Council suspended utility disconnections for the month of April. Although the City will not cut your water off, you are still responsible for the bill. Any bill not paid during this Order will have to be paid to clear the entire balance the next month. Bills not paid in full are subject to disconnection.

John D. Hobson
City Manager
City of Sinton
